FINAL GAMES TOMORROW

The Junior Singles Tournament got away to a good start last Friday, some very close games being witnessed. In the boys' section Jack Toomer was taken to three sets before he could shake off Allan Jeffery in what was one of the closest matches of the day. Jack took the first set at 6-4, only to have Allan come back and take the second 6-3, and lead with three love in the third when Jack seemed to steady his strokes and win by 6-4.

Another hard struggle was between Eric Graham and Gordon Smith, the former only winning after a hard close fight, as Gordon's long steady drives seemed to catch him out of position, however, Eric regained control of his strokes and combined with his swift, true service took the sets 7-5, 10-8.

In the girls' section the matches were all fairly even, only one going to three sets when Priscilla Towers dropped the first set to Katherine Collyer and then came back to take the next two 6-1, 6-3. Both girls were playing steadily though Katherine was off her game somewhat, having not played for several weeks. Miss Towers figured in another close match when she met Emily Thornley, when she again dropped the first set at 9-7, only to come back and take the second at 8-6. This match, however, was called on account of darkness to be finished yesterday. Priscilla has steady and determined shots which seem to baffle her opponents. Dorcas McIntyre was kept on her toes to defeat Dawn Hayward in two close sets of 6-3, 7-5, both were playing steadily and well. Glenn Jones was also given a run to down Delphia Smith in close sets. Result of the play is as follows:

GIRLS' SINGLES

E. Thornley defeated M. Mounce, 6-1, 6-1.
P. Towers defeated K. Collyer, 4-6, 6-1, 6-3.
D. Hayward defeated E. Carmichael, 6-0, 6-4.

D. McIntyre defeated D. Hayward, 6-3, 7-5.

G. King won by default from E. Jeffery.

G. Jones won by default from J. McKillican.

D. Smith won by default from T. Doi.

G. Jones defeated D. Smith, 6-4, 7-5.

BOYS' SINGLES

F. McLean defeated J. Gorton, 6-3, 6-0.

J. Toomer defeated A. Jeffery, 6-4, 3-6, 6-4.

E. Graham defeated J. Hunt, 6-0, 6-0.

G. Smith defeated B. Deildal, 6-4, 6-0.

E. Graham defeated G. Smith 7-5, 10-8.

The finals will be played on Friday afternoon at 2:30, when it is expected some close games will take place. Club play will take place as usual before and after the finals.

Garrick, L. Green, M. Green, T. West and H. West, of Mayne Island.

YOU GET YOUR MONEY'S WORTH

A short time ago we received at the Review Office a copy of the catalogue from the Red Cross Workshop, Victoria. In this catalogue are listed the many articles made by disabled soldiers. Some of the work that is carried on, is that of cabinet making, general woodwork, furniture repairing, upholstering, picture framing, basket making, chair re-caning, wire work, etc. This workshop was started in Victoria in April, 1921, the first shop for the employment of disabled ex-service men in Canada. At first the whole undertaking was sponsored entirely by the local branch of the Canadian Red Cross Society, but later necessary Government assistance was obtained through the Department of Pensions and National Health and up to the present time the business has shown considerable improvement but this year, as in all other business, it will be affected with the general depression. This we all know is a big work and is worthy of every support — but in addition to helping care for the disabled soldiers the public receives full value for their money.

A complete list may be had by writing to the Red Cross Workshop, Victoria, B.C.; also, all enquiries will be welcomed.

EXCELLENT BOYS' SCHOOL

A boys' school that has received an enviable reputation for its achievements is the Cranleigh House School, Cudboro Bay Road, Victoria, B.C., which was founded in 1920.

Mr. C. V. Milton, A.C.P., who is the head master, is a trained certified (England) teacher of many years' standing. The syllabus of work includes all school subjects and boys are taken from beginner's age through to matriculation. The fine record gained by this school is due to the fact that all teaching is individual, there being no set classes, thus quick workers are not retarded, nor are the slower ones pushed ahead too fast in order to keep pace with those who need less time.

Any inquiries regarding terms, fees, school hours, etc., and any references required, will be willingly furnished by Mr. Milton.

Paper from the district attending the school have every convenience regarding transportation, as the first bus to Victoria, in the morning, corresponds with the school hours.

and for work done by girls under 16 years.

There are six different classes devoted to bread baking, the prizes being donated by the flour milling companies.

Owing to the increase in the interior exhibits and the work entailed in the handling and arranging of the different classes, Mr. Alex. McDonald has been appointed hall manager to supervise and to expediate the placing of the exhibits.

Obtain your prize list, if you have not already received one, from the Review Office or secretary, Stuart G. Stoddart, Saanichton.

An appeal is made to all intending exhibitors to send in their entries as soon as possible to avoid the last-minute rush.
